

The 2004 Homeland and Global Security Summit

Post-Show Report 2004

***When:** March 2 & 3, 2004*

***Where:** Washington Convention Center, Washington, DC*

***Website:** www.globalsecurity.bz*

The 2004 Homeland and Global Security Summit proved to be a great success!

Summit was held March 31 - April 1 at the Washington Convention Center in Washington, DC. It was Equity International's third annual Summit and the largest and most prestigious homeland security trade show and conference in the United States. The Summit is unparalleled in its quality and effectiveness.

Summit speakers included Secretary Tom Ridge (Keynote); DHS Assistant Secretary Parney Albright; Principal Deputy Assistant Secretary of Defense Peter Verga; Customs & Border Protection Commissioner Robert Bonner; Congressman Christopher Cox, Chairman of the House Select Committee on Homeland Security; Congressman Hal Rogers; Chairman of House Homeland Security Appropriations; and many others. The Summit VIP Reception was held at the British Ambassador's residence, with guests representing a who's who in homeland security.

Equity International is the leader in facilitating business involvement in homeland security. Since 2002, Equity International has also organized almost monthly homeland security briefings at the National Press Club, providing the latest information from Congressional and Administration leaders on homeland security funding and programs. Equity International organized its first homeland security event in 1998, when the firm hosted a national conference on the threat of Osama bin Laden to U.S. corporate facilities and personnel. The firm's latest event – The Capitol Hill Homeland Security Technology Showcase – attracted more than 200 government and industry leaders.

More than 6,000 government and industry leaders have participated in Equity's homeland security forums. News media coverage has included CNN, C-SPAN, CNBC, NBC, ABC, CBS, Fox, BBC, The Washington Post, Financial Times, and many other major news media.

Equity International also provides stellar research on homeland security funding, programs, and market opportunities. Its cutting-edge reports are posted on its online Center for Homeland & Global Security at www.globalsecurity.bz and are provided to its corporate clients.
