Dear Sirs,

We have the honor to invite your esteemed company to participate in the National Pavilion of Taiwan of the **XI International Forum & Exhibition «Security and Safety Technologies»** (February 7-10, 2006, Russia, Moscow).

Russian security industry today is a fast growing market with \$4.5 bln. annual revenue for security products and over 1500 companies working in this segment.

The International Forum «Security and Safety Technologies» is the foremost exhibition and congress event, serving security market on the territory of Russia, CIS and Eastern Europe. The Forum successfully combines the largest specialized exhibition of technical security facilities and services and broad scaled congress program.

Exhibitors: 700 companies

Total square: 25,000 sq. m.

The exhibitors and participants of the congress program are Russian and foreign manufacturers and installers of security systems and equipment, state legislative and executive authorities, heads of entrepreneur companies, unions and associations of non-state security agencies. National Pavilions of the USA, Germany, Korea, Taiwan will be organized. US Pavilion is organized with support of Mid-Atlantic Russia Business Council.

More than 36 American trade marks represented at the Exhibition. The Forum attracts the audience of more than 28,000 trade visitors from 40 countries, more than 80% of them are decision makers and 2/3 are CEOs.
