

In conjunction with the  
**Mid-Atlantic – Russia Business Council**

# **Meet with Officials from the Russian Chemical Industry**

University & Whist Club

**November 1, 2007**

2:30 - 4:00 pm Reception / Networking Mixer

The Mid-Atlantic – Russia Business Council (MARBC) is hosting the delegation from the Russian chemical industry from October 29 – November 3, 2007. The delegation from the chemical sector, which includes state officials and business executives from major Russian chemical companies, will participate in the Chem Show held in New York on October 30 – November 1, 2007. The Chem Show is North America’s largest process equipment and technology exposition, bringing together more than a thousand exhibitors from around the world presenting their equipment, technology, services and systems.
