

Mid-Atlantic – Eurasia Business Council presents

EURASIAN-AMERICAN INNOVATION TECHNOLOGY COMMERCIALIZATION ROUNDTABLES

The Mid-Atlantic - Eurasia Business Council (MAEBC/MARBC) is pleased to announce the upcoming Eurasian - American Innovation Technology Commercialization Roundtables. The roundtable in November will be part of the Days of Eurasian-American Innovation Entrepreneurship Cooperation along with Global Entrepreneurship Week, while the roundtable in May 2025 is part of Philly Tech Week and World Trade Week New York City. The Eurasian - American Technology Innovation Technology Commercialization Roundtables are organized by the Mid-Atlantic - Eurasia Business Council. The events will feature entrepreneurial innovation systems in the US and Eurasia, different strategies of commercialization, and presentations from Eurasian and American start-ups, with an emphasis on life science/medical devices, alternative energy/energy-saving, and information technology.
